

Nature Hunt: Preschoolers

Ideal for outdoor spaces

Welcome to our Nature Hunt! This open-ended scavenger hunt was designed to pique kids' curiosity, orient them to the nature around them and hook them on discovery! Kids need not "complete" this hunt or rush to find everything. The very searching is where the magic lies!

Explorers can check each box as they find something to match!

 <p>bird</p>	 <p>tiny friend</p>	 <p>plant</p>
 <p>flower</p>	 <p>pile of sticks</p>	 <p>dirt or mud</p>
 <p>tree fruit</p>	 <p>butterfly</p>	 <p>stone or pebble</p>
